

Fill Blank Accounts with Defaults

This SmartBank video takes you through the steps on how to:

- 1) Set-up the **Default Deposit & Withdrawal accounts** and
- 2) How to use the **"Fill blank accounts with Default accounts"**

The **"Other Settings"** Menu under the Auto Allocation Menu contains the **"Default Deposits"** and **"Default Withdrawals"** General Ledger, Customer and Supplier account settings for the **"Fill the Blank Accounts with Defaults Process"** function that will Auto Allocate the REST of the Deposits or Withdrawals transactions to the default accounts as set out under **"Other Settings"**
